

## How can SCPHN school nurses contribute to the sustainability agenda?

---

**Author(s):** Aronsson J  
**Year:** 2013  
**Journal:** Community Practitioner : The Journal of The Community Practitioners' & Health Visitors' Association. 86 (7): 38-40

---

### Abstract:

Jennie Aronsson reports on a SCPHN/school nurse engagement with an environmental initiative, resulting in an 'access to green space' flowchart that can be used as part of a whole school health needs assessment.

### Resource Description

#### Exposure :

weather or climate related pathway by which climate change affects health

Unspecified Exposure

#### Geographic Feature:

resource focuses on specific type of geography

None or Unspecified

#### Geographic Location:

resource focuses on specific location

Global or Unspecified, United States

#### Health Impact:

specification of health effect or disease related to climate change exposure

Mental Health/Stress

#### Intervention:

strategy to prepare for or reduce the impact of climate change on health

A focus of content

#### Resource Type:

format or standard characteristic of resource
